

Santos in the Community

— Application for funding

Request for over \$2,000

Santos seeks to establish and maintain enduring and mutually beneficial relationships with the communities of which we are a part; ensuring our activities generate positive economic and social benefits for and in partnership with communities.

As part of this goal, Santos supports organisations and events that are valued by the communities where we operate.

Santos has three focus areas:

1. Supporting our natural environment
Supporting initiatives that protect and enhance our land, water and air.
2. Developing futures for young people and regional communities
Providing a range of training and employment opportunities for young people and regional communities.
3. Investing in vibrant communities
Helping our cities and towns become healthier and more vibrant, enriching the lives of those who live there.

Information about the specific communities and activities Santos invests in is available online at www.santos.com/community

Funding in 2016:

Santos has fully committed to a range of programs and events in 2016. As such, we are not accepting unsolicited funding requests this year.

Please only submit this application if you have been invited to do so by your Santos representative.

To support your application, **one** supporting document may also be sent with the application form.
