

Proposed upcoming work program – Narrabri Area (PEL 238)

Environmental Impact Statement (EIS):

- The Narrabri Gas Project EIS, response to submissions (RTS) and supplementary RTS have been submitted to the Department of Planning and Environment.
- Assessment of the project is continuing through the State Significant Development planning framework.
- The EIS, RTS and supplementary RTS documents are available on the DPE Major Projects website at www.planningportal.nsw.gov.au/major-projects/project/10716

Western Slopes Pipeline:

- APA Group announced in October 2018 that it has deferred submission of the EIS for the Western Slopes Pipeline until the assessment of the Narrabri Gas Project EIS has further progressed.
- Further information on the Western Slopes Pipeline is available on APA's website. www.apa.com.au/about-apa/our-projects/western-slopes-pipeline/

Drilling of exploration core holes, workovers and decommissioning of wells:

- No activities planned for August.

Pilot wells:

- Bibblewindi East, Bibblewindi West and Dewhurst South pilot wells are online.
- Tintfield pilot is offline to reduce flaring until additional gas is required.

Leewood:

- Santos does not need to irrigate at this time and all water is stored in our state of the art water holding ponds at Leewood.

Wilga Park Power Station:

- The Wilga Park Power Station is on-line.
- The installation of two new 3MW generators to increase capacity at the power station from 16MW to 22MW is progressing to schedule.

Other Activities:

- An application to upgrade Tintfield Pond 1 and discontinue use of Tintfield Pond 2 has been submitted to the NSW government for approval. Both ponds are located on the Santos-owned property Wilga Park. The upgraded pond will meet the mandatory requirements of the NSW government code of

practice for produced water management, storage and transfer.

- Groundwater monitoring activities for Environmental Protection Licence compliance are ongoing.

Community:

- The next meeting of the Narrabri Gas Project Community Consultative Committee will be held on Tuesday 10 September 2019. Communiques and presentations from previous CCC meetings are available from www.narrabrigasproject.com.au/community/consultative-committee/
- Community Site Visits are regularly scheduled to visit operational areas of the Narrabri Gas Project. To register for a site tour, contact 6792 9035 or email Energy.NSW@santos.com
- Santos will have an information stand at AgQuip from 20 - 22 August 2019
- Santos has proudly sponsored the following events and groups:
 - Narrabri Blue Boars Rugby Sponsors Day
 - Life Without Barriers Ball
 - Nosh Narrabri
 - Gunnedah Rural Museum
 - Narrabri and District Polocrosse Club

Other:

- Santos Managing Director and Chief Executive Officer, Kevin Gallagher and Perdaman Group's founding Chairman and Managing Director, Vikas Rambal, signed a Heads of Agreement in Narrabri on 2 August 2019 for the further study and design of Perdaman's new ammonia production facility using Narrabri natural gas. This follows Santos and Perdaman signing a non-binding agreement in February 2019 for the supply of 14.5PJ of natural gas per annum over 20 years, subject to a final investment decision for Santos' Narrabri Gas Project. More information is available from www.santos.com/media-centre/announcements/
- On 18 July 2019, Santos released the 2019 second quarter activity report with Santos Managing Director and Chief Executive Officer Kevin Gallagher saying that the first half of 2019 had delivered record production volumes and sales revenues, along with strong free cash flow of over \$600 million. More information is available from www.santos.com/media-centre/announcements/
