

Proposed upcoming work program – Narrabri Area (PEL 238)

Environmental Impact Statement (EIS):

- The Narrabri Gas Project EIS, response to submissions (RTS) and supplementary RTS have been submitted to the Department of Planning and Environment (DPE).
- Assessment of the project is continuing through the State Significant Development planning framework.
- The EIS, RTS and supplementary RTS documents are available on the DPE Major Projects website at www.planningportal.nsw.gov.au/major-projects/project/10716

Western Slopes Pipeline:

- APA Group announced in October 2018 that it has deferred submission of the EIS for the Western Slopes Pipeline until the assessment of the Narrabri Gas Project EIS has further progressed.
- Further information on the Western Slopes Pipeline is available on APA's website. www.apa.com.au/about-apa/our-projects/western-slopes-pipeline/

Drilling of exploration core holes, workovers and decommissioning of wells:

- No activities planned for November.

Pilot wells:

- Bibblewindi East, Bibblewindi West and Dewhurst South pilot wells are online.
- Tintfield pilot is offline to reduce flaring until additional gas is required.

Leewood:

- Santos does not need to irrigate at this time and all water is stored in our state of the art water holding ponds at Leewood.

Wilga Park Power Station:

- The Wilga Park Power Station is online.
- The installation of two new 3MW generators to increase capacity at the power station from 16MW to 22MW is complete. The generators are scheduled to be commissioned in December.

Other Activities:

- Work continues on the Tintfield Pond 1 upgrade and will be completed in December.
- Annual ecological monitoring activities are being undertaken during November.
- Weed spraying activities are being undertaken during November.

- Groundwater monitoring activities for Environmental Protection Licence compliance are ongoing.

Community:

- The next meeting of the Narrabri Gas Project Community Consultative Committee will be held on Tuesday 12 November 2019. Communiques and presentations from previous CCC meetings are available from www.narrabrigasproject.com.au/community/consultative-committee/
- Community Site Visits are regularly scheduled to visit operational areas of the Narrabri Gas Project. To register for a site tour, contact 6792 9035 or email Energy.NSW@santos.com
- Santos has proudly sponsored the following events and groups:
 - Narrabri High School Annual Presentation Evening
 - Wee Waa High School Annual Presentation Evening
 - Narrabri Touch Club State Cup

Other:

- Santos has proudly donated \$160,000 to support drought-affected rural communities in the Narrabri and Maranoa regions where we operate. Santos has donated \$40,000 to the Narrabri Rotary *Neighbours in Need* program; \$40,000 to Narrabri Lions *Need for Feed* program for distribution of Why Leave Town Cards; and \$80,000 to the Queensland Country Women's Association. Further information is available from <https://www.santos.com/media-centre/>
- Santos has released its third-quarter activities report for 2019 with Santos Managing Director and CEO Kevin Gallagher saying that it was another strong quarter for Santos, highlighted by record production and sales volumes, and the second highest quarterly sales revenue on record. More information is available from <https://www.santos.com/media-centre/announcements/2019-third-quarter-activities-report/>
- The Geological Survey of NSW has released the October 2019 edition of the *On the Outcrop* e-newsletter which can be accessed through subscription from <https://www.resourcesandgeoscience.nsw.gov.au/miners-and-explorers/geoscience-information/products-and-data/books-and-brochures/newsletter>
