

Proposed upcoming work program – Narrabri Area (PEL 238)

Environmental Impact Statement (EIS):

- Santos submitted our detailed response to submissions (RTS) on the EIS to the Department of Planning and Environment (DPE) in April 2018.
- The RTS carefully considered the public submissions and confirmed the Project can be developed safely and sustainably.
- The RTS and the EIS is available on the DPE Major Projects site at www.majorprojects.planning.nsw.gov.au

Western Slopes Pipeline:

- APA Group is preparing an Environmental Impact Statement for the Western Slopes Pipeline which would connect natural gas from the proposed Narrabri Gas Project to the Moomba-Sydney Pipeline.
- Further information on the Western Slopes Pipeline is available on APA's website. www.apa.com.au/about-apa/our-projects/western-slopes-pipeline/

Drilling of exploration core holes, workovers and decommissioning of wells:

- No activities planned for June.

Pilot wells:

- Bibblewindi East, Bibblewindi West, Dewhurst South and Tintfield pilot wells are on-line.

Leewood:

- The lucerne crop at Leewood is not currently being irrigated. Produced water is being stored in purpose built holding ponds.

Other work:

- Santos is assessing the feasibility of transporting more gas from the Bibblewindi East and Bibblewindi West pilot wells to the power station for electricity generation. If feasible this would reduce flaring.
- Applications to allow gas from pilot wells in PEL238 to be beneficially used in the Wilga Park Power Station will be lodged with the NSW Government in coming weeks.

- Rehabilitation is continuing at legacy sites, including revegetation activities at Bibblewindi.

Community:

- Community Site Visits are scheduled for the third Thursday of each month. To register for a site tour, contact 6792 9035 or email Energy.NSW@santos.com
- The next meeting of the Narrabri Gas Project Community Consultative Committee will be held on Tuesday 12 June 2018. Communiques and presentations from previous CCC meetings are available from www.narrabrigasproject.com.au/community/consultative-committee/
- Santos is a proud sponsor of the following events and activities:
 - Rotary Club of Narrabri 2018 North West Science and Engineering Challenge
 - Narrabri and District Junior Rugby League Club 2018 Season

Other:

- Santos received a conditional binding offer from Harbour Energy Ltd on 21 May 2018 to acquire 100 per cent of Santos shares. After careful consideration of all aspects of the Final Proposal, the Santos independent directors and Managing Director & CEO unanimously resolved to reject the Final Proposal on the basis that it does not represent a full value of the company and, when combined with the associated risks, is not in the best interests of Santos shareholders. Accordingly, Santos has now terminated all discussions with Harbour Energy. Further information is available at www.santos.com/
- SBS aired the Insight programme "Power Divide" featuring the Narrabri Gas Project on 29 May 2018. Further information is available at www.sbs.com.au/news/insight/tvepisode/power-divide
