

**Action Item 37.2c\_Questions from PFTP to Santos emailed out of session  
13 February 2019 - Dewhurst North Pilot.**

**Question:** Can you please advise me as to the date of commencement of dewatering and the cessation date of dewatering operations of the coal seams at the Dewhurst North Pilot (Dewhurst 22 –25 including Dewhurst 6)?

**Response:** Santos commenced operation of the Dewhurst North Pilot on 15 July 2014 and ceased operation on 5 December 2015. We continue to exercise the pumps monthly.
