Dear [REDACTED]

**Wilga Park Power Station (MP07_0023)
S2C3.2 WPPS Emissions Testing Report**

Reference is made to your post approval matter, MP07_0023-PA-10, S2C3.2 Wilga Park Power Station (WPPS) Emissions Testing Report submitted as required by Schedule 2, Condition 3.1 of MP07_0023 as modified (the approval) to the Department of Planning and Environment (the department) on 20 December 2022.

The department has reviewed the WPPS Emissions Testing Report and considers it to generally satisfy the conditions of approval. The department notes the following:

- Emissions testing was undertaken on 16-17 November 2022 to determine compliance with Schedule 2, Condition 2.4 of the approval, discharge limits.
- Engines G04A and G05A were offline due to mechanical issues, and G06B was offline for servicing, during November 2022 testing.
- All tested locations were compliant with the discharge limit described in Schedule 2, Condition 2.4 of the approval.

In accordance with Schedule 2, Condition 5.4 of the approval, please make a copy of this report available on the project website by 5 April 2022.

Please note that the next round of emissions testing as required by Schedule 2, Condition 3.1 of the approval is to be carried out during November 2023.

Should you wish to discuss the matter further, please contact [REDACTED], Senior Compliance Officer on [REDACTED] or compliance@planning.nsw.gov.au

Yours sincerely

Heidi Watters
Team Leader Northern
Compliance

As nominee of the Planning Secretary
