Subject: Field Development Plan Rev 0B

Dear Ms [REDACTED]

I refer to the Field Development Plan Rev 0B, dated 25 September 2023, submitted in accordance with Condition A24, Schedule 2 of the consent for the Narrabri Gas Project (SSD-6456-PA-72).

I note the Field Development Plan has been updated to reflect a change in the location of well pad Dewhurst 34 from private landholding to State Forest.

The Department referred the Field Development Plan to the Biodiversity, Conservation & Science division of the Department, which did not comment on the changes.

The Department considers the changes are relatively minor and agrees that further consultation with other agencies is not required.

Accordingly, as nominee of the Planning Secretary, I approve the Field Development Plan (Rev 0B, 25 September 2023).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at your earliest convenience.

If you wish to discuss the matter further, please contact Rose-Anne Hawkeswood on 9274 6324.

Yours sincerely
